

If we don't do nothing, this will be the life line of the community and the only hope the hope that our youth can look for.

MISSION STATEMENT

“Our mission seeks each religious, community and ex-offenders to promote the core of family and community values, while developing the mind of our youth and correcting ours. We are committed to assisting in all areas possible”

COMMITTEE FOR EX- OFFENDERS EQUALITY

**“A BALANCE FOR VICTIMS &
COMMUNITY EQUALITY”**

BENEFIT OF JOINING

- One voice to all programs, services and other opportunities for your growth into the community.
- Support in restoring the faith of the community, while serving to reducing other offending activities within the community.
- Connect to a network of supportive services, for the wholesome of self will and recidivism reduction.

Let us serve to support all groups together and change our community. One unit at a time using the core of love, truth, peace, freedom & Justice. The Core of Family values and love in faith.

Prayer is the central thing that make us change. Whether you are of faith or not, that inner feeling of knowing that someone care is the answer to 99% of the programs. Our program seek to be your hope for that next step in life. Remember family wait, but life is only in your hands for true change. Let us, a team serve, watch and wait for those behind you!!!!!!!
